1. FOREWORD:

Punjab Skills Development Fund (PSDF) is the largest skills development fund in Pakistan. PSDF was established in 2010 as a not-for-profit company set up under the Companies Ordinance 1984 by the Government of Punjab (GoPb). PSDF offers quality, demand-driven skills training to vulnerable and poor youth of Punjab helping them to create sustainable income generation opportunities in Pakistan and beyond.

PSDF intends to announce the pilot for the '**Chief Minister's Skill Development Program for Transgenders**', where Scholars will be free to take admission in any of the PSDF associated institutes. PSDF will shortlist the institutes for the association as per the criteria mentioned in this document. With this program, PSDF is funding the skills trainings for the transgender residents of Punjab to **foster their social inclusion and economic empowerment by providing them with market-relevant skills and facilitating their integration into the formal economy**. The program aims at **creating dignified income generation opportunities for them and their growth and inclusion as responsible citizens of the Punjab**. This initiative aims to transform the socio-economic landscape for transgender people in Punjab by offering them sustainable livelihood opportunities through formal and self-employment geared towards dignified income generation opportunities. This project is designed as an end-to-end targeted intervention for the upskilling of the vastly marginalized and underreported community of transgender people in the Punjab leading to their economic and social empowerment.

The aim of the '**Chief Minister's Skill Development Program for Transgenders**' is to empower the Scholars to choose among the Associated institutes for skills training in the desired field.

Interested institutes who meet the requirements are invited to submit a registration & association form in accordance with the details provided therein.

	<p>PSDF may run a pilot program first, for a limited target in the first batch of training. PSDF reserves the right to adjust or revise trade-specific targets for the program(s) if there are insufficient Associates in the target districts or if the supply of Scholars exceeds the target. PSDF may increase the trade or district target in any scenario.</p>			
Basic Requirements	<p>Potential Associates must fulfill either of the following requirements:</p> <ul style="list-style-type: none"> Government-owned institutions / bodies who have the capacity of providing training in the announced trades. They must submit relevant evidence of being a government-owned entity. <p style="text-align: center;">OR</p> <ul style="list-style-type: none"> Universities with HEC recognized degree programs can apply for trainings in trades relevant to their registered degree programs. Universities will be required to submit evidence for their HEC 			

	<p>Registration for relevant degree programs. The request for trades will be reviewed on a case-by-case basis.</p> <p style="text-align: center;">OR</p> <ul style="list-style-type: none"> • Institutes must be registered / affiliated / accredited with either TEVTA, PSDA, or NAVTTC. In case where registration certificates / extension of registration certificates is expired, organizations are required to share the following two mandatory evidence: <ul style="list-style-type: none"> ▪ Expired certificate from PSDA, TEVTA, or NAVTTC. ▪ Evidence of in-process application (affiliation or extension) in the form of application or request of extension letter along with the payment receipt for application processing (where applicable). • Applying organizations must submit a valid registration or extension certificate issued by the relevant authority before the submission of the first invoice. The first payment will be made upon receipt of the confirmed registration certificate by the relevant authority. Interested Associates who fulfill the above-mentioned criteria are requested please register on PSDF registration portal by accessing the following link: https://bss.psd.org.pk • Interested associates must first register their institutes on the registration portal to be considered for membership in the association. Only eligible institutions that pass the registration evaluation will be considered for association.
<p>Shortlisting of an Associate</p>	<ul style="list-style-type: none"> • All the Associates fulfilling the basic registration criteria and having a valid or in-process application / registration / accreditation by relevant bodies in the announced trades will be shortlisted as an Associate for the Chief Minister’s Skill Development Program for Transgenders. Association in the same or similar category of trades will be acceptable. • Universities with HEC recognized degree programs can apply for training in trades relevant to their degree program. Universities will be required to submit evidence for their HEC Registration for relevant degree programs. In case an applying institute has a diploma / degree / certificate, it will be reviewed on a case-by-case basis.
<p>Capacity Determination</p>	<ul style="list-style-type: none"> • In the case of PSDA, NAVTTC, TEVTA, or any other TEVT body, the capacity of institutes will be determined as mentioned on the registration / accreditation certificate under each trade & location. • Associates will provide an undertaking that they will not run any other class under the assessed capacity for another organization other than PSDF.
<p>Schedule of Training</p>	<p>The trainings are expected to start from January 2025 or as per the PSDF business requirements, subject to the availability of funds.</p>
<p>Additional Components of the Program</p>	<ul style="list-style-type: none"> • Community Mobilization: This program will specifically focus on Transgender Persons, PSDF may also facilitate associates in this process through onboarded community mobilizers and the Associates are also encouraged to engage the Transgender Communities in their districts for scholar mobilization. The Associates may be required to facilitate interested transgender persons in getting registered with NADRA for their CNICs. • Increased Stipends & Transportation Allowances: Considering Transgender persons are already a vastly marginalized and under-reported minority in Pakistan, to increase their uptake in skills training, PSDF will be providing the transgender scholars with increased incentives to participate in this program including increased stipends and a transportation allowance. Stipends and the transportation allowance will be paid to scholars monthly. • Soft Skills Trainings: Transgender Persons will also be provided soft skills trainings as part of their core skills trainings for this program. These will include trainings on Digital & Financial Literacy, Soft Skills for Personal and Professional Development, & Entrepreneurship. Associates will be responsible for

	<p>ensuring that the scholars complete their soft skills component for the program during the training duration.</p> <ul style="list-style-type: none"> On-the-Job Trainings (OJTs): The Program will additionally have a component for On-the-Job Trainings for one-month, post-completion of the skills training component of the program. The onboarded Associates for training execution will be responsible for ensuring the On-the-Job Trainings for all the completed scholars, and that the scholars complete their OJT component of the program. Toolkits: Scholars that have successfully completed their training including the OJT component will be given toolkits from PSDF. PSDF may also conduct a graduation ceremony to handover the toolkits to the completed Scholars. Tracer Study / Impact Study: PSDF will also be conducting a tracer study / impact study for this program and Associates will be provided to cooperate with PSDF onboarded research organization for the gathering of data at various stages of the program's life cycle. Associates would be required to ensure that all scholars complete the baseline and end-line surveys.
<p>Beneficiary Profile for the Program</p>	<ul style="list-style-type: none"> Individuals who identify as a transgender, they would be required to provide either their CNIC / B-Form cards or a declaration signed from their community guru confirming that they are a transgender person. PSDF may facilitate the scholars to get their CNICs registered from NADRA. The age limit is 18 years and above. Must belong to any district of the Punjab. Must not have previously attended any course funded by PSDF and not registered in PSDF database. Must have a literacy level at least primary level education and willingness to complete the components of the program including the skills and on-the-job training components of the program.
<p>Association Process</p>	<ul style="list-style-type: none"> Associates that fulfill the basic criteria mentioned in the sheet above and are operating in Punjab in the above-mentioned districts can apply for registration / association with PSDF in the trades mentioned in the data sheet. In case of in-process applications, Associates must submit their registration certificate before submitting the first invoice. Associates will only be allowed to enroll Scholars as per the capacity mentioned on registration / accreditation certificate under each trade & location. In case where the capacity of the applying institute cannot be verified from their registration document, the associate be required to maintain a class size per PSDF's operating procedures mentioned below. Associates will be required to maintain class size of at least 10 Scholars under each trade of training batch. The maximum class size allowed is 25 Scholars. Associates will not run any other class under the assessed capacity for another organization other than PSDF. Also, Associates will not merge with any other class with PSDF scholarship model and will only enroll PSDF scholarship holder Scholars in any given class. If Associates is found to be running a mixed class in the monitoring visit, the class(es) will be cancelled.
<p>Trade Scholarship Fee</p>	<ul style="list-style-type: none"> A trade scholarship fee is available at the end of this document in Annexure A. PSDF will only pay the fixed scholarship amount to scholars against each offered trade as mentioned in Annexure A.

	<ul style="list-style-type: none"> All direct & indirect taxes will be deducted at the time of payment in accordance with the provisions of Government Rules amended from time to time.
Validity Period for Association	<ul style="list-style-type: none"> This association is only valid for two years, subject to the validity of the PSDA, NAVTTC, TEVTA or any other relevant body's registration certificates. Relevant registration / accreditation certificate must be valid throughout the period of association. i.e., at the time of start till the completion of class. After the association process, list of Associated institutes and their registered trades and complete address will be available on PSDF website along with the validity period of association. This will facilitate in the scholar enrollment process.
Registration / Enrollment Mechanism	<ul style="list-style-type: none"> Scholars will be free to take admission in any of the associated institutes. Associated institutes will be liable to enroll Scholars (eligible as per PSDF criteria). All the Associates will compete for the enrollment of Scholars which will be on a first come first serve basis till the completion of target or expiry of deadline set by PSDF. PSDF portal will restrict the enrollment in case target is achieved before the expiry of deadline or vice versa. If Associates fail to enroll Scholars up to the minimum class size limit, that class will not be allotted to the Associate. All Associates will be given access to the online dashboard on the Business Support System (BSS) to have a real time visibility of target, number completed by associate, and remaining seats. BSS will block the enrollment once the trade target is achieved. The system will only consider those classes wherein the strength of Scholars is 10 and above. Associate will be required to update scholar profile in BSS. PSDF may implement a biometric system considering the business requirements for scholars' for registration and attendance, and other activities. The implementation of the biometric device is at the discretion of the PSDF management.
Awareness for Scholar Scholarship	<ul style="list-style-type: none"> Newspaper and other digital / electronic media platforms may be used for Scholars' awareness. Declaration form will be filled in and signed by the scholar in the selected trade at Associate location. Associates will duly verify and authenticate all documents and necessary undertakings before initiating the registration process of Scholars. Associate may interview the scholars for accepting / rejecting the admissions in relevant trade.
Scholar Finalization & Scholarship	<ul style="list-style-type: none"> After initial verification & scrutiny of scholar eligibility, Associate will be required to save & submit the scholar profile in the BSS. Upon profile saving in the system Scholar & Associate will get a provisional registration message through email/SMS notification. The final registration message will be sent on the consolidation of the class (with the enrollment of at least 10 eligible Scholars) and submission of the profiles in BSS. Scholarship payment will only be made to associate as per the PSDF business rule.
Association Agreement	After the conclusion of association process, an association agreement shall be signed with the qualified Associates.
Business Rules	PSDF standard business rules will be applicable for monitoring of trainings and ascertaining Associate's claim.
Testing & Certification	<p>Testing & certification from an accredited body is an essential requirement of the program. In the case where universities are providing self-certification to their enrolled scholars, they will be required to follow their own designed curriculum.</p> <p>PSDF may also arrange testing & certification of the scholars through PBTE or any other recommended testing & certification body.</p>

<p>Implementation of Training</p>	<p>Training would be delivered to the Associated institute’s premises with dedicated labs / workstations in a formal manner with course components to be delivered in dedicated classrooms / labs / workshops.</p>
<p>Job Placement</p>	<p>Placement Commitment for the program is 30%. Associated institutes will only receive placement payment for those Scholars that are successfully verified.</p>
